

## Membership Types

<b>Individuals</b>	Members of the public and enrolled secondary or post-secondary students who are unaffiliated with a member company, or currently pivoting to work in the BC ocean sector.
<b>Ecosystem Champion</b>	Industry and Professional Associations, First Nations governing bodies, and municipal, provincial, or federal government departments, non-profit organizations, and academic institutions
<b>Companies</b>	For-profit entities, crown corporations and arm's length government agencies*

### Membership Criteria

Companies should either do business within the blue economy, or demonstrably contribute to the advancement of Pacific Canada's blue economy through relevant products, services, and/or partnerships.

\* BC registration requires any Company members to have at least a branch registered in BC under the BC Corporations Act
